## WELCOME

**Rade Goljović**

Serbian Orienteering Federation

President

Dear O-Friends,

It is my great pleasure, on behalf of the Serbian Orienteering Federation, to welcome you to the 2026 South East European Orienteering Championships. On beautiful Zlatibor Mountain we are honored to host competitors, officials, and guests from across the region.

I hope you will have enough time to enjoy not only the orienteering courses, but also our hospitality and the lovely nature of Zlatibor.

Let us all make this championship a wonderful memory in our eternal friendship, and may the Force be with us all.

**The one family, we are...**

## EVENT CENTRE & REGISTRATION

**Location:** Titova vila, Zlatibor, Serbia

**Coordinates:** [43.735545](#), [19.705955](#)

**Opening hours:** September 2, 2026, from 10:00 to 20:00

Registration will take place exclusively at the Event Centre.

The Event Centre will also be open at the arena during competition times.

## COMPETITION INFORMATION

Each competitor is personally responsible for:

- properly preparing their SI card,
- taking the correct map at the start,
- correctly punching the control points.

In all competitions, **SEEOC** athletes will start **first**, followed by **SEEMOC** athletes.

**Serbia Open** starts at the end according to the hourly schedule given in the event program for each stage.

**GPS - enabled devices** can be carried provided that they have no map display and are not used for navigation purposes.

**For Sprint distance** (Stage 1) the entries for the M20 and W20 classes must also be made **through IOF Eventor**, as they use the same courses as the M21E and W21E classes.

Before entering the starting box, there will be a **SIAC battery check** station at all stages.

At all forest stages (Long, Relay and Middle), **toilets and a drinking water** tank will be installed in the finish zone. Also, **tents** will be set up at all forest races, and the organizer will try to have as many as possible.

## CEREMONIES AND BANQUET

**Changed from Bulletin 2!**

**Medal ceremony** for stage 1 will be held at Zlatibor city square (on the big stage). The ceremonies for **stages 2 and 3** will be held at the **Event centre**. On the final day (stage 4) the ceremony will be held at the finish arena.

**Farewell banquet** shall be organized in Zlatibor city centre on Saturday, September 5. Details will be announced in a timely manner at the Event centre. All participants of SEE(M)OC & Serbia Open are welcome.

## MODEL EVENT

### Forest Model and Sprint Model – September 2<sup>nd</sup> (Wednesday)

Both model events will be available between at 10:00 to 18:00. Maps will be provided at the registration at EC.

- Equipment: Standard control flags WITHOUT SI stations on both events.

#### Forest Model Event

- Location: GPS: [43°40'56.2"N 19°39'10.5"E](#)
- Parking around the gps location is for cars and vans only, parking for large buses and vehicles is on location [43°40'55.9"N 19°39'15.7"E](#) (same for Long distance) 200 m from the Forest Model Event.
- Map scale 1:10,000/1:15000, contours 5 m.
- Control prisms for the Forest Model Event will be removed after a start procedure of long distance race.
- Map from the Forest Model Event can be used as a long-distance warm-up map!

#### Sprint Model Event

- Location: GPS: [43°44'08.4"N 19°42'18.2"E](#)
- Map scale 1: 4000/1:3000, contours 2,5 m.
- Sprint Model Event is located in the complex of the Event centre and official accommodation Titova vila.

## STAGE 1 - SPRINT

### Sprint – September 3<sup>rd</sup> (Thursday)

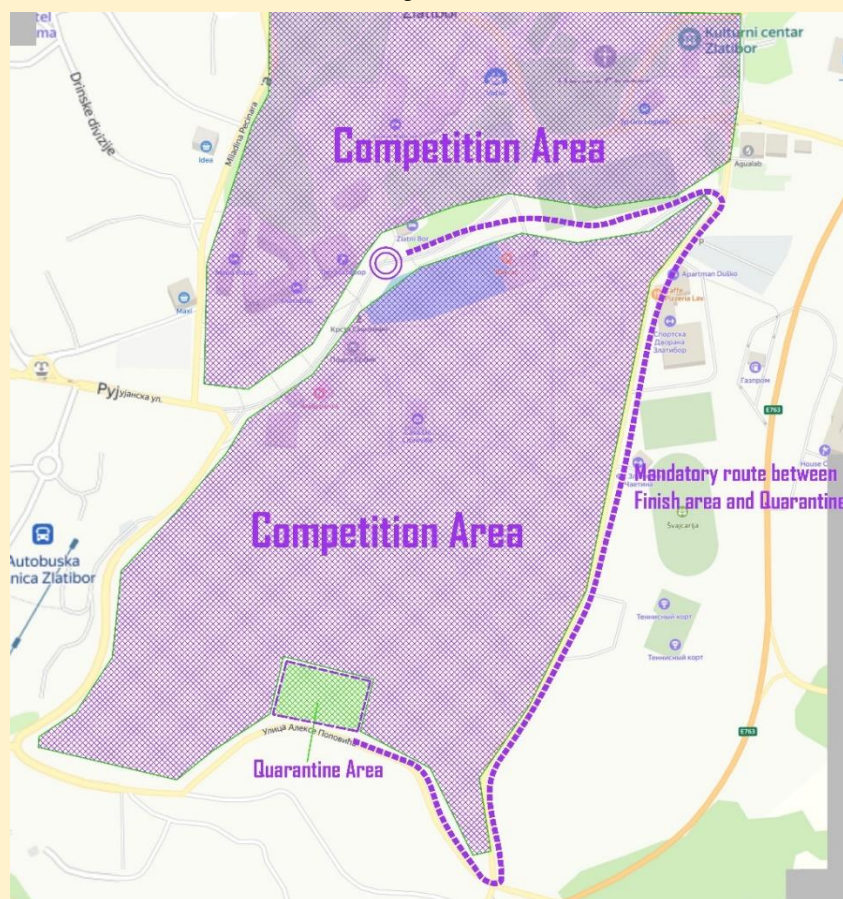

**Arena:** Zlatibor centar –Kraljev trg (King square)

**Location:** [43°43'35.7"N 19°41'59.8"E](#)

**Parking** is not organized, so all participants are responsible for parking of their own vehicles, but it must be somewhere **outside the competition area!**

Please note that Zlatibor is a tourist destination with heavy traffic. Improper parking may result in a fine. We kindly ask all participants to take care when parking their vehicles.

The best way is to arrive on foot. The sprint arena is about 1000 m away from EC and other official accommodation. The distance between the Finish arena and the quarantine via the mandatory route is 1600 m.

The quarantine is managed **only for SEEOC athletes**. The quarantine opens at 8.45 The last time to enter the quarantine is 9.30.

Coaches and competitors can leave the quarantine zone at any time, but once they have left, they are not allowed to return.

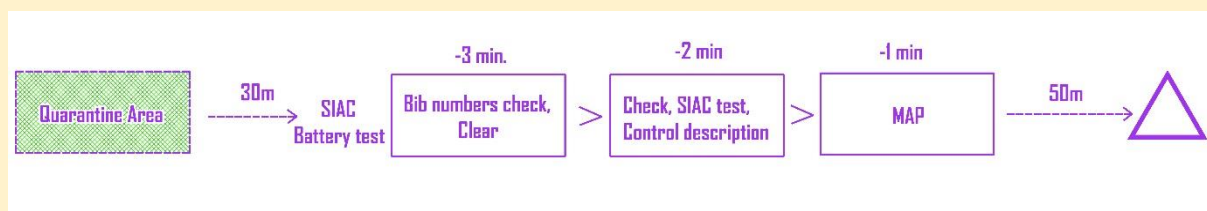

A spot will be set up in the quarantine area right next to the entrance to **drop off bags**. Every 20 minutes, a van will take the bags to the finish arena.

For SEEMOC and Serbia open athletes there will be markings from the Finish area to the start area (mandatory route). Only the route given on the map should be used. Anyone entering the Competition area will be disqualified.

**Traffic will not be closed.** Athletes should pay attention to traffic on the street.

## START

- SEEOC first start: 10:00
- SEEMOC first start, 10:00
- Serbia Open first start: 11:00
- Start interval: 1 minute
- Distance from the Finish arena to the Start: 1200 m
- There will be toilets in the quarantine as well as in the finish area

## TERRAIN

**Altitude:** Terrain area is located 850-950 meters above the sea level.

**Land form:** Tourist complex combined with park areas and large buildings. In one part, a technically demanding maze through the narrow alleys created between the restaurant and the café bars.

## MAP

ISSprOM 2019-2 v6

**Scale:** 1:4000 (MW 21, 20, 18, 16, 35, 40, 45); 1:3000 (MW 50, 55, 60, 65, 70, 75, 80); Serbia open: 1:4.000 (MW 14-45, Open B); 1:3000 (MW 12, MW 50-80, Open C)

**Contour Interval:** 2,5 m

**Mapper:** Konstantin Serebryanitskiy, July 2026

**Course Planner:** Dejan Nikolic

**Winning time:** 13-14 minutes

**Maximum running time:** 60 minutes

Waterproof paper is used for the map. Extra plastic bag will not be provided.

## SPECIAL FEATURES AND SYMBOLS

There is a special symbol on the map – 714 „Temporary construction or closed area". It mainly represent closed areas, gardens restaurants, open playgrounds for children, etc...

Objects that are not located on the ground but are elevated (built in trees), such as elements of an obstacle course (as shown in the following photograph), are not shown on the map.

In one part of the competition area there are two special line symbols:

- 528 (prominent line feature)

- 529 (prominent uncrossable line feature)

Definition of the symbols

- Conveyor ski lift
- Children's slide

## STAGE 2 - LONG

**Long – September 4<sup>th</sup> (Friday)**

**Arena:** Ladjevina

**Location:** [43°40'54.8"N 19°38'54.4"E](#)

**Parking location** for all vehicles: [43°40'55.9"N 19°39'15.7"E](#) The organizer's staff will be in the parking lot, please follow the parking instructions.

It is 450 m from the parking lot to the finish arena, follow the markings.

Tents for the teams will be set up in the finish arena, and there are plenty of places with natural shade in the area.

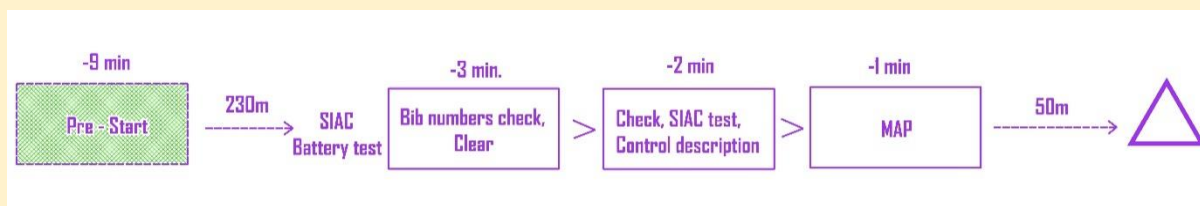

### START

- SEEOC first start: 10:00
- SEEMOC first start, 10:00
- Serbia Open first start: 12:00
- Start interval: 2 minutes

Distance from the arena to the pre-start: 270 m (only for SEEOC and SEEMOC).

The route to the start is mandatory and marked with red and white tapes.

There is no toilet at the start.

## TERRAIN

**Altitude:** Terrain area is located 1100-1300 meters above the sea level.

**Land form:** Hilly and challenging terrain, mostly pine forest, in some parts also old beech forest. Good visibility, in some parts there is a possibility of low vegetation, open areas under pasture that can be fenced with a low wire that will not be shown on the map.

**Runability and Visibility:** Mostly good to perfect.

## MAP

ISOM 2017-2 v6

**Scale:** 1:15.000 (MW 21, 20), 1:10.000 (MW 16, 18, 35, 40, 45), 1:7500 (MW 50, 55, 60, 65, 70, 75, 80)

**Serbia open:** 1:10.000 (MW 14, 21A, 21B, Open B), 1:7500 (MW 12, 80, Open C)

**Contour Interval:** 5 m

**Mapper:** Georgi Kartalov 2021, Update: Dejan Nikolic, Aleksandar Petrovic, April, 2026

**Course Planner:** Dejan Nikolic

**Maximum running time:** 180 minutes

### Refresment Point

There will be refresment points at some points of the terrain. Some of these are indicated in the control description and some are marked on the map 

Waterproof paper is used for the map. Extra plastic bag will not be provided.

After entering the finish line, competitors must hand over the map to a person from the organization. After the start of all competitors, the team leaders will be invited to pick up the maps.

## STAGE 3 – RELAY & SERBIA OPEN MIDDLE

**Arena:** Sljivovica

**Location:** [43°49'09.2"N 19°38'24.1"E](#)

**Parking location** for all vehicles: [43°49'13.6"N 19°38'50.8"E](#), parking for cars and vans: [43°49'09.1"N 19°38'38.5"E](#). The organizer's staff will be in the parking lot, please follow the parking instructions.

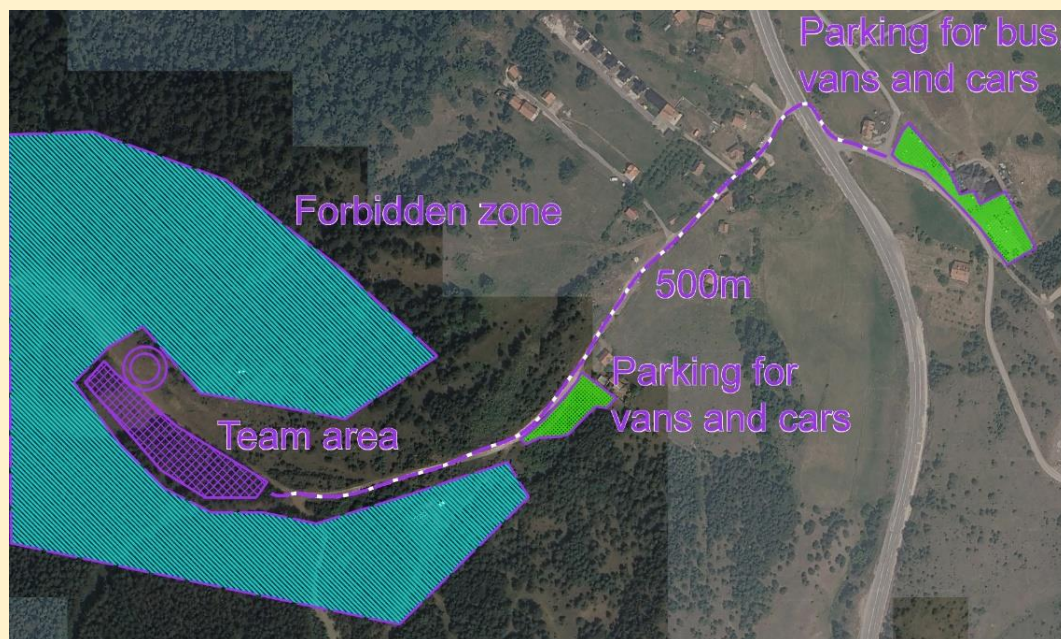

It is 500 m from the parking lot for all vehicles and 250 m from parking lot for cars and vans to the finish arena, follow the markings.

Parking for cars and vans (the closer one) works on a first-come, first-served basis. When the parking lot is full, parking is done at the restaurant across the road.

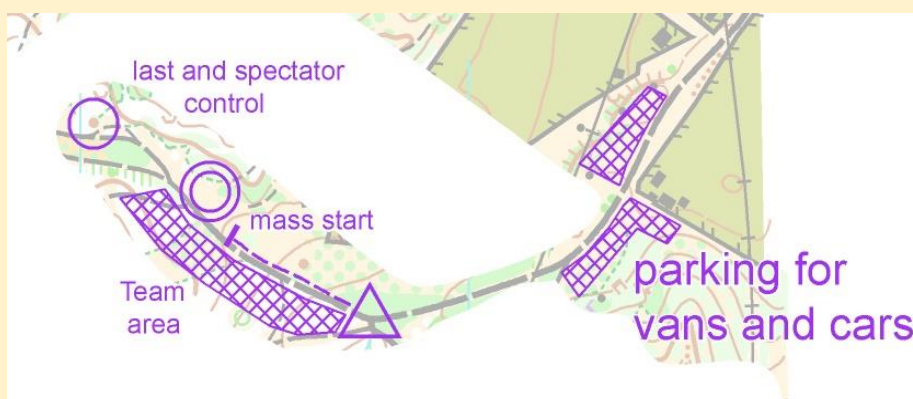

The deadline for registering the SEEOC relay by name is September 3 at 3:00 p.m., after the long distance.

For SEEMOC relay, the registration deadline is September 1 at 9 p.m.

All entries must be filled in the official form ([CLICK HERE TO ACCESS THE FORM](#)).

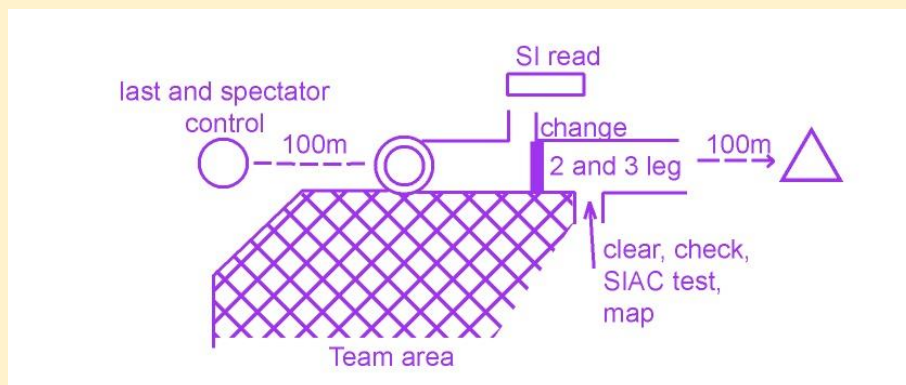

Tents for the teams will be set up in the finish arena, and there are plenty of places with natural shade in the area.

## START

First leg athletes are responsible for arriving at the pre-start on time. The maps for the first leg will be rolled up and handed over to the runners as they enter the pre-start zone. Competitors are not allowed to unroll the map before giving the start signal. There will be Clear, Check and SIAC test stations at the entrance of pre-start.

## Changeover

The runner should move to the pre-start when his team-mate passes the spectator control point. The runner will be given his rolled map. There will be Clear, Check and SIAC test stations at the entrance of pre-start. Changeover should be completed by hand touch.

The distance from the start line to the start flag – 100 m

- SEEOC Relay - mass start for **MW21** is at 10:00, **MW20** at 10:05, **MW18** at 10:10, **MW16** at 10:15,
- SEEMOC **MIX Realy teams** mass start at 10:25
- Serbia Open (middle distance) first start: 13:00, start interval: 2 minutes

## TERRAIN

**Altitude:** Terrain area is located 800-900 meters above the sea level.

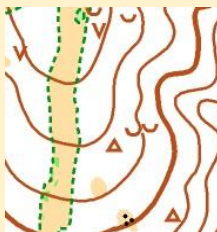

**Land form:** Similar terrain as for the long distance, hilly, one part is quite runnable with good visibility, while the other part is a combination of dense forest with smaller open areas.

On a smaller area of the terrain there are unmapped fences, „sheep-cows keeper”, similar like to the long distance.

**Runability and Visibility:** Mostly good to perfect.

## STAGE 4 - MIDDLE

**Arena:** Rozanstvo

**Location:** [43°43'49.8"N 19°49'35.3"E](#)

**Parking location for vans and cars:** [43°43'50.3"N 19°49'38.0"E](#)

**Parking location for buses:** [43°43'14.7"N 19°50'05.3"E](#)

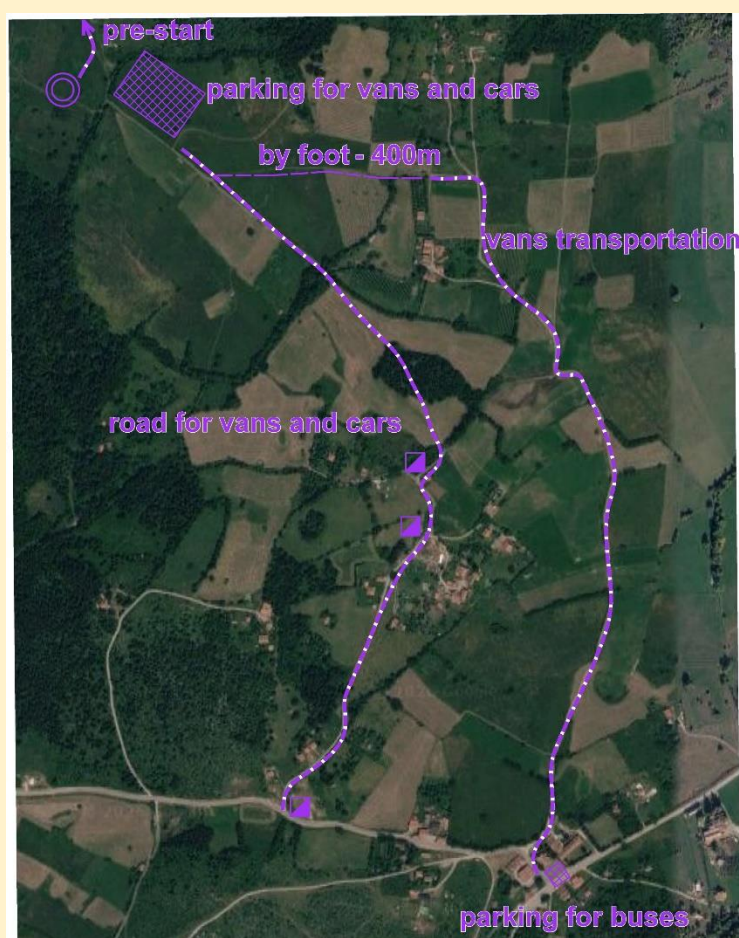

The organizer's staff will be in the parking lot, please follow the parking instructions.

It is 100 m from the parking lot for vans and cars to the finish arena.

Parking lot for buses is 1700 m away from the finish arena, on that section three vans drive the competitors who came with the bus. The place where the van leaves them is 400 m away from the finish arena, which is crossed by foot (mark red-white tape). Competitors arriving on large buses should arrive 30 minutes earlier for van transportation.

From the main road to the parking lot for vans and cars is 1500 m, half of the road is asphalt and the other half is macadam. The road will be marked at the turns and crossroads with a control flags.

Tents for the teams will be set up in the finish arena, and there are plenty of places with natural shade in the area.

## START

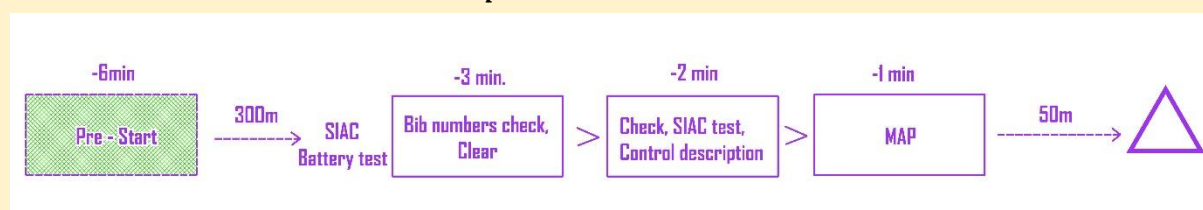

- Demonstration of the relay handover 9:45
- SEEOC first start: 10:00
- SEEMOC first start, 10:00
- Serbia Open first start: 12:00
- Start Interval: 2 minutes

Distance from the arena to the pre-start: 350m (only for SEEOC and SEEMOC)

The route to the pre-start is mandatory and marked with red and white tapes.

There is no toilet at the start.

For Serbia open category MW12 and Open C, between 2CP and 3CP will be marked with red and white strips.

## TERRAIN

**Altitude:** Terrain area is located 800-900 meters above sea level.

**Land form:** Not too steep terrain, deciduous forest, karst terrain with smaller and larger sinkholes, in one part larger and smaller stone buildings. During the winter, trees and branches fell in one part of the forest. The terrain has never been used for orienteering.

**Runability and Visibility:** Runability are low in the some rocky and green areas. Visibility is good.

## OPENING CEREMONY

The opening ceremony will be held at 17:00 at the Kraljev trg (King square). Teams should be at the meeting point at 16:45. Teams will start the march with their own flags.

The flag parade will include SEEOC and SEEMOC athletes.

Please remember to wear your national team uniforms. We invite Serbia Open participants to join us at King Square to watch the ceremony.

King Square location: [43°43'35.4"N 19°41'59.7"E](#)

Meeting point location: [43°43'34.1"N 19°42'08.1"E](#)

A cultural and artistic program will be held during the opening ceremony.

# TRAINING CAMP

## ORIENTEERING CAMP – Zlatibor SEE(M)OC

August 29 – 31

At the training camp, two courses will be set for all training sessions, A is harder and more demanding and B is easier and shorter.

### Camp Programme

## DEVELOPMENT & EDUCATION SEMINAR

### DAY 1 – September 3<sup>rd</sup> | 20:00

**Matija Razum** – Croatian National Team Coach

*Athlete Development Pathway*

*From young beginners to World Junior Orienteering Championships medalists*

### DAY 2 – September 4<sup>th</sup> | 21:00

Four speakers will share their knowledge and experience in a short 15-20 min presentations:

**Damir Gobec**

IOF Global Development and Mapping, World Orienteering Week

**Todor Pedev**

School Orienteering, ISF

**Vasilis Hortomaris**

The development of orienteering in Greece

**Zoran Milovanović**

Maze orienteering and Huichang punching system

The seminar is supported by the International Orienteering Federation (IOF), the IOF Global Development Commission, the Orienteering Federation of Serbia, and the South East European Orienteering Association (SEEOA).

We hope this will be the beginning of a valuable new tradition of education, cooperation and development of orienteering in South-East Europe.

### Registration

Participants can register in advance via the Google Form:

<https://forms.gle/eF8K8XVjhxHv1iNB9>

Please feel free to share this announcement and the registration link with your clubs, federations, athletes, coaches and colleagues who may be interested.

Throughout the competition days, there will also be plenty of opportunities for informal discussions and exchanges of ideas about the development of orienteering and possibilities for further cooperation and development in the region.

## ECO SCOUTING PROJECT

We invite all participants to join the **Eco Scouting** project.

This project is very much in the spirit of orienteering, as it enables participants to record locations where threats to the environment have been observed.

More information about the project is available at the **Event Centre**, as well as in the **finish area** on each competition day.

**We are orienteers – we protect nature!**

## JURY

The SEEOA appointed the following Jury members:

1. Veysel Güler (TUR) – President
2. Diana Bridger (CYP)
3. Lachezar Iliev (BUL)
4. Gregor Raj (SLO) – Substitute

## COMPETE AND ENJOY

**Regards from the SEE(M)OC 2026 organizing team!**
